

Bill of Sale

For and in consideration of \$_____ the undersigned owner of the full legal and beneficial title of the aircraft structures, parts, and components described as follows:

Does hereby sell, grant, transfer and deliver all rights, title, and interests in and to such aircraft unto Purchaser.

WARNING

WAIVER AND RELEASE

No warranty of any kind, either expressed or implied, is made to the buyer or any one else as to the merchantability or airworthiness of these experimental aircraft parts. The items are sold on an "as is" "with all faults" basis and the various components may not comply with the Federal Safety Regulations for Standard Aircraft.

The buyer **Waives** and **Releases** the seller from any and all claims, demands, and or liability of any and every kind which such person or persons may have, or claim to have, against said seller. This release and waiver is binding on the heirs, personal representatives and assigns of the purchaser, subsequent owners, pilots and passengers.

WAIVER AND RELEASE

THESE AIRCRAFT PARTS ARE NOT DESIGNED OR BUILT TO MEET A STANDARD OF AIRWORTHINESS AS WITH CERTIFIED AIRCRAFT.

These aircraft parts are from an experimental aircraft and the original builder was the experimenter. The parts were not built in a permanent jig and parts are not interchangeable with any other aircraft of the same type or facsimile. The registered owner of an experimental aircraft becomes responsible for it's aerodynamic and structural concept. The new owner is responsible for the performance and fit for purpose or every part and piece on an aircraft. Warranty is not expressed or implied for any feature or part on this experimental-amateur built aircraft.

I ACCEPT THE TERMS OF THE **BILL OF SALE** AND ALL RESPONSIBILITY FOR THE PARTS DESCRIBED HEREIN.
